**Ad hoc NAFTA Arbitration under UNCITRAL - Chemtura Corporation v.
Canada**

Dear Counsel,

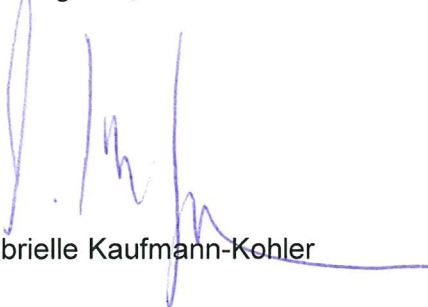

I refer to the communications from the Respondent, of 11 August 2008, and from the Claimant, of 14 August 2008, regarding the issue of the confidentiality designations with respect to the amounts of damages sought by the Claimant in the present case, which was not addressed in Procedural Order No. 3 of 8 August 2008 (PO No. 3).

After reviewing the Parties' arguments on this issue, the Tribunal is of the opinion that such confidentiality designations are not in accordance with the Confidentiality Order of 21 January 2008.

Therefore, section 3 of PO No. 3 is supplemented to the effect that all references in the Claimant's submissions of June 2, 2008 to the amounts of damages sought by the Claimant in this arbitration cannot be maintained and are hereby lifted.

The Claimant shall provide, as appropriate, revised redacted versions of the relevant submissions of June 2, 2008 taking into account the present determination of the Tribunal.

Best regards,

Gabrielle Kaufmann-Kohler
