Re: Grand River Enterprises *et al* v. United States of America – NAFTA/UNCITRAL Arbitration Rules Proceeding

Dear Mesdames and Sirs,

In connection with the Claimants' letter of January 29, 2008, the President of the Tribunal has asked me to inform you of the following:

- The Tribunal has considered Claimants' request of January 29, 2008 for an order compelling additional discovery,
- As stated in the Tribunal's letter of January 28, 2008, the question of production of documents is closed,
- As also stated in the Tribunal's January 28 letter, "each party is reminded that any un-explained non-production of relevant documents would be a matter of raising of inferences".

Respectfully yours,
